

## HIGH PRECISION BALANCE

### FEATURES :-

- Automatic External calibration
- 2, 00, 000 internal resolutions.
- Easy to read LCD Display with backlight
- Multifunction weighing unit as like g, ot, etc.
- Full tare Range up to max capacity of the balance
- Counting weighing functions
- Standard RS 232 C interface
- S. S. Weighing Pan, Level Indicator, Adjustable Fit
- In Built rechargeable battery for continuous use ( Optional)
- Zero Tracking function

## TECHNICAL DATA

MODEL NO.	DWAI-203	DWAI-223	DWAI-303	DWAI-503	DWAI-1003
Max Capacity	200g	220g	300g	500g	999.999g
Readability kg	0.001g	0.001g	0.001g	0.001g	0.001
Tare Range	Full				
Repeatability	±0.001g				
Linearity	±0.002g				
Pan Size	85 ø mm				
Stablization Time	2-3 sec				
Communication	RS 232				
Calibration	Automatic External Calibration				
Weighing Units	Multi weighing Units				
Power	DC9V/500mA or 6V/1.3Ah rechargeable battery (optional)				
Display	Large LCD Display with Back Light				
Working Temperature	10°C- 40°C
